What is PLACE?

PLACE is a monthly meeting for anyone interested in all aspects of education within the church. It is comprised of laity and clergy, volunteers as well as paid church staff who work with children, youth, young adults, older adults, etc., in their churches.

It is a PLACE for you to network with others who share your ministry passion, to find out what other churches are doing in their education programs, and, most importantly, to build some great relationships!

Each meeting follows this format:

12:00 to 12:30 — Lunch (brown bag)

12:30 to 1:00 — Business, sharing, devotion

1:00 to 2:00 — Program (see inside for dates, topics, contacts and locations)

Hope to see you at the next meeting.
And feel free to bring a friend!
